Re: Suburban Manor Nursing Home  
Vincent Polo (owner)

Dear Nancy:

In the above matter which I discussed briefly with you last week, request is hereby made in behalf of Vincent Polo, the owner of Suburban Manor Nursing Home, 1 Great Road, Acton, Mass. for permission to cross the grass strip between the side line of Bayberry Lane and the parking area adjacent to the nursing home. The plans and specifications for improvements to the sanitary disposal field for the nursing home is expected to be undertaken in the next several weeks. It has been recommended by the Engineering Department that temporary access by heavy equipment be allowed over the grass strip (Town owned land) during the construction of improvements. By so allowing a temporary access, a serious traffic hazard from the nursing home driveway can be avoided.

Thank you for your assistance in this matter.

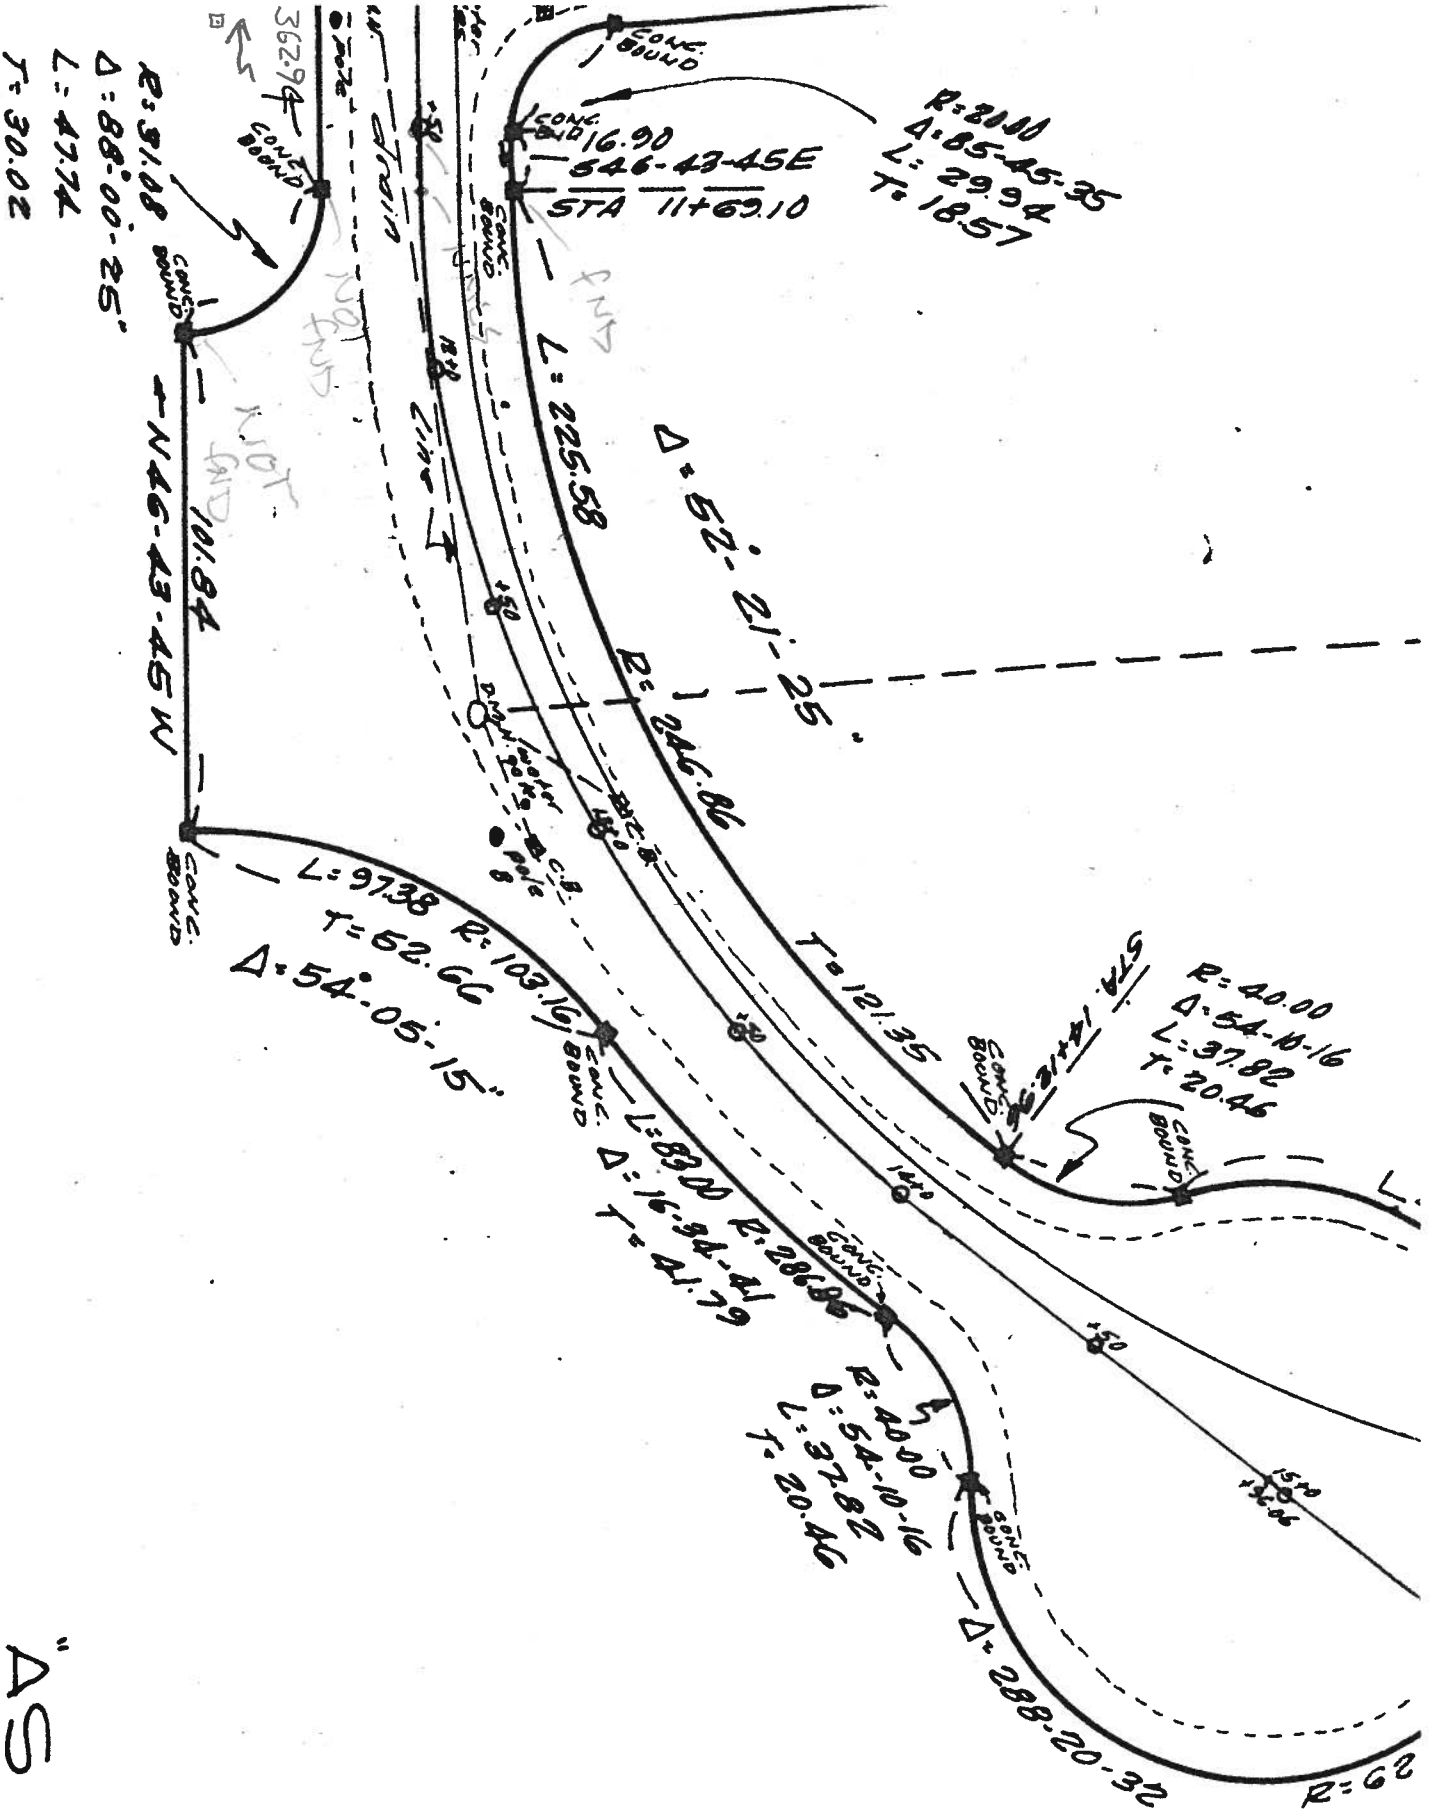

Yours very truly,

WILSON & ORCUTT, INC.
